DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3, 5, 7-13, 15 and 17-22 are allowed.

Examiner's Statement of Reason for allowance

2. The following is a statement of reasons for the indication of allowable subject matter:
3. The prior art of record, *Wong* (US 6343275) teaches an automation of information handling for business process related to order entry, order fulfillment and order problem tracking. *Wong* further discloses coalescing information within its order management information system. *Wong* fails to teach a method for organizing briefing packages for presentation to a sales account executive regarding client business entities managed by said sales account executive said method comprising the steps of parsing a portion of an electronic mail messages according to a predetermined format to determine a client record to which the message is to be linked; integrating information to form a briefing package (specifically defined as collection of information about an outside business entity including such items as stock quotes, news reports, key contact biographies, previous meeting notes, previous presentations and action item list (see specification, pg. 3, line 11 through pg.5 line 6)) by linking said electronic mail message and at least one other external data item to at least one client record, said other external data item being selected from the list of a stock share price quote server, a business plan document, a marketing strategy document, a note from a previous meeting with said client, a previously presented presentation document and an action item list; and presenting the integrated

information in the formed briefing package using expandable sub forms. For these reasons, claims 1, 10 and 17 are deemed to be allowable over prior art of record and claims 2-3, 5, 7-9, 11-13, 15, 18-22 are allowed by dependency.

Any comments considered necessary by the applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reason for Allowance".
